

Instructions for Use www.baitsafe.com.au

1. Hold the 'lugs' on flat base & twist the cone top to remove.
2. When placing the blocks on external surfaces, use the plastic base to improve the deodorising rate.
3. Place Oda Blocks onto the BaitSafe® Spike, as shown for internal building structures.
4. Can also be inserted directly into cavities, via the BaitSafe® base unit.
